

COVID-19 VICTORIA UPDATE 24/08/2020

At McCanns Plumbing Supplies we are committed to providing a safe environment for our customers, our people, and the community that we operate in. We have adopted precautionary measures and working procedures at our stores in response to the current Coronavirus situation in Victoria.

We are required to keep a register of customers who enter all our Victorian stores. We have hand sanitisation stations and all customers are required to wear a mask or face covering in our stores. Social distancing is practiced by staff and customers in all our stores. We encourage cashless payment wherever possible. Contactless ordering and delivery or pick up is available at all our stores. Please call any branch to organise with our friendly customer service people.

Under the direction of the Victorian Government Stage 4 Restrictions our Melbourne Metro trade counters remain open to plumbers and registered builders only. Our Melbourne Metro Showrooms in Stage 4 areas are now closed to the public. Our regional stores under Stage 3 Restrictions are open for business to all retail and trade customers as usual. See the table below for reference of all branches in impacted areas.

Branch	Address	Phone	Restriction level

Please note that the Victorian Government has outlined that essential workers will need to carry an essential work permit at all times in Metropolitan Melbourne area so you can enter our stores and continue with your work. There are significant fines in place for people working without a permit and falsification of these permits.

McCanns Plumbing supplies wishes all our customers continued safety, health and prosperity during these times.
